

Understanding Grass Growth for Better Management

Cool or Warm Season

- Adaptation
- Establishment
- Growth Cycle
- Yield
- Dormancy

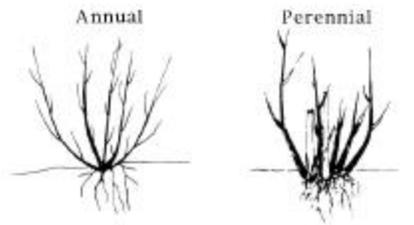

Tall or Short

- Yield
- Edibility

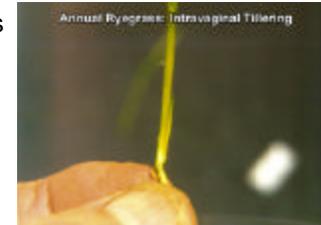

Annual or Perennial

- Establishment
- Growth Cycle
- Persistence

Bunch or Sod

- Seeding Rates
- Stand Density
- Weed Control

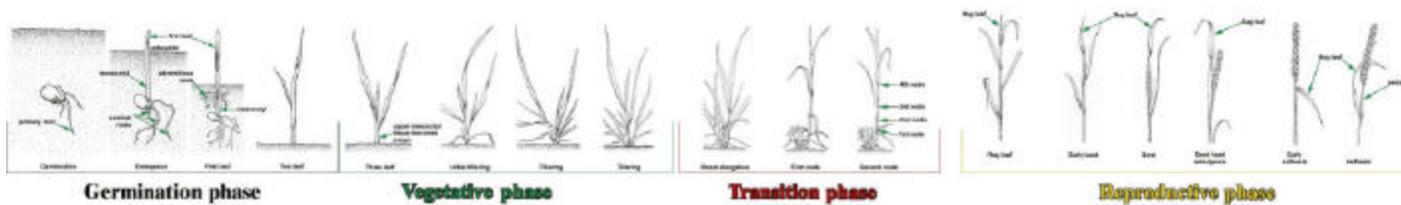

Forage or Turf

- Purpose
- Defoliation
- Irrigation

Jointed or Non-Jointed

- Regrowth
- Defoliation

"...farmers know less about grasses and the best modes of growing them than any other crop..."

Thomas Shaw
